Leadership amid Policy Changes In the Palliative Care Landscape

Speaker : Dr Jeremy Lim
Director, Lien Centre for Palliative Care

Date: Tuesday, 28 June 2011

Time: 1pm – 2pm (Registration & Lunch: 12 noon)

Venue: **Duke-NUS Graduate Medical School**
Level 2, Amphitheatre
Khoo Teck Puat Building
8 College Road (located opposite SGH block 6 and 7)

Admission: Free

Synopsis

Palliative care is an emerging discipline in healthcare and unlike many other clinical specialties, straddles the worlds of clinical medicine, societal attitudes and health policy. Hence, palliative care practitioners need to be not just skilled clinicians but also effective advocates for health systems reform and social change.

This lecture will examine select examples of palliative care successes in advocacy and policy reform and critically explore the role of palliative care leadership amidst the changing policy landscape of Singapore healthcare.

Lunch Sponsored By  JANSSEN-CILAG

Registration required, please RSVP by **21 June 2011**
